

SAUPEC/RobMech/PRASA 2020 Conference

(IEEE Accreditation approved)

Dear Reader

The SAUPEC/RobMech/PRASA 2020 incorporates the 28th Southern African Universities Power Engineering Conference, the 12th Robotics and Mechatronics Conference of South Africa and the 30th Annual Symposium of the Pattern Recognition Association of South Africa.

This event will take place in Cape Town and will be hosted by the University of Cape Town at The River Club on 29th-31th January 2020.

Conference sponsorship / exhibitions are being requested for industry to interact and network with companies, academia, engineering graduates, post-graduates and individuals who have interests in power engineering, mechatronics, robotics and pattern recognition.

This is an opportunity to grow your company brand among the people who will be future clients and leaders in the technical industry.

For yourselves to support **SAUPEC/RobMech/PRASA 2020**, we can offer the following sponsorship packages for your consideration:

Platinum sponsor level support

2 x Tables for exhibition R50 000
3 x Guests at Dinner

Gold sponsor level support

2 x tables for exhibition R30 000
2 x Guests at Dinner

Silver sponsor level support

1 x table for exhibition R15 000
2 x Guest at Dinner

Bronze sponsor level support

1 x table for exhibit R10 000
1 x Guest at Dinner

We are also looking for conference bags, name tags (lanyards included), pens and writing pads for delegates. Any support in this regard as well as any smaller donations will also be welcomed.

The SAIEE will invoice your company on behalf of SAUPEC/RobMEch/PRASA 2020 once we are all happy about the selected sponsorship option.

We thank you for the interest in supporting our event.

For details about sponsorship / exhibitions, contact Gerda Geyer at geverg@saiee.org.za. Information about the conference is at www.prasa.org.

Sincerely

Fred Nicolls
